A Renewal Weekend for the Women of St. Anna's Catholic Church

Jan 27th & 28th, 2018

St. Anna's Catholic Church
1401 Alcovy Street
Monroe, GA 30655

What is Christ Renews His Parish?

Christ Renews His Parish (CRHP) is a renewal process designed to bring members of St. Anna's parish together in Christ. CRHP provides a supportive atmosphere, which encourages a deeper understanding of Gospel messages. It is also an excellent opportunity to freely get to know other members of our church and to meet other people interested in the Catholic faith. You do not need to be an expert in theology or of the Bible to participate.

The only prerequisite is a desire to grow.

CRHP is NOT

- A silent retreat
- A parish organization
- A public confession
- A pre-selected group

Who conducts the Weekend?

The renewal team is comprised of past participants of the renewal weekend. Their desire is to help the participants have a great spiritual experience.

What happens on a CRHP Weekend?

The renewal weekend is an opportunity to hear and discuss how Catholics function in our modern, fast-paced society. You will share conversations and thoughts with others about how our faith affects everyday life. You are free to share as much or as little as you desire. There is ample time for prayer and personal reflection to promote spiritual growth.

Christ our Savior is offering you a chance to respond to a closer and deeper relationship with Him. Sacraments are the focal point of the weekend.

What about the Sacraments?

Mass is celebrated during the renewal weekend.

Who may attend?

The CRHP weekend is open to all parishioners of St. Anna's, Catholics and Christians, over the age of 20. Space is limited, so early registration is key.

When & Where does the Weekend take place?
