If you are new, you will need orientation to the grounds, equipment and a key to the work sheds. Call me and we will arrange a time before we begin the schedule. We have some new members; I tried to keep some of the same crew members together from last season. I will float this year and fill in for anyone who must miss their turn.

The schedule works out to one tour of duty every five weeks again this year.

Remember to please <u>CALL ME</u> with any concerns about equipment failure, maintenance, or anything you feel we need to change or purchase to help make the job easier/safer.

LOCATIONS: MAP is posted on the back door of the shed.
